

TRUSKIN AESTHETIC GROUP PRESENTS

TruSkin Bare 808 Diode Laser

Virtually Painless Hair Removal for All Skin Types

The laser creates a beam of high intensity light that penetrates into the skin, targeting unwanted hair follicles, delivering a controlled amount of therapeutic heat, and resulting in the destruction of the targeted follicles.

- ✓ Faster and more comfortable than ever
- ✓ FDA cleared for laser hair reduction
- ✓ Best in class ROI
- ✓ Outstanding warranty and locally serviced
